Terms, Conditions and Copyright Information

This agreement establishes the Terms and Conditions for your enrollment in any Revenue Cycle Coding Strategies Online Learning programs. Print this document for your records.

- All Revenue Cycle Coding Strategies Curricula and Courses are for single-user, licensed customers only. User IDs and passwords are for single person use only. Sharing of ID's or passwords is prohibited and can result in account cancellation.
- Revenue Cycle Coding Strategies, at its own discretion, will decide if any terms of this agreement have been violated by customer. Upon written e-mail notification to customer regarding Terms of Use violations, Revenue Cycle Coding Strategies may revoke customer license to access courses and curricula. In that event, Customer agrees to any and all of the following: Customers found in violation of this agreement, found reselling or creating IDs and passwords public to anyone in any manner will forfeit their User password and all rights to future online courses and curricula.
- Coding information provided by Revenue Cycle Coding Strategies is gathered from third-party sources and does not constitute reimbursement or legal advice. Revenue Cycle Coding Strategies makes no representation or warranty regarding this information or its completeness, accuracy or timeliness. Laws, regulations and payor policies concerning reimbursement are complex and change frequently and service providers are responsible for all decisions related to coding and reimbursement submissions.
- Customer agrees that it shall defend, indemnify, save and hold Revenue Cycle Coding Strategies and any persons affiliated with said company, harmless from and all demands, liabilities, losses, costs and claims, including reasonable attorney's fees asserted against Revenue Cycle Coding Strategies its agents, its customers, officers and employees, that may arise or result from any service provided or performed or agreed to be performed or any product sold by customer, its agents, employees or assigns.
- No part of this course may be reproduced in any form whatsoever without written permission from the publisher. Published by Revenue Cycle Coding Strategies, Cedar Park, TX. Copyright violations will be prosecuted.
- Revenue Cycle Coding Strategies does not directly or indirectly practice medicine or dispense medical services. Revenue Cycle Coding Strategies assumes no liability for the data contained herein or not contained in the enclosed course Materials.
- The enclosed course Materials are for training purposes only, and are intended to be a supplemental part of the training provided to participants concerning the subject matter areas covered by the Materials. The user of these Materials bears ultimate and complete responsibility for training and ensuring the competence of itself and/or its employees in the subject matter areas covered by the Materials.
- When a third party payor is involved, the determination of reimbursement for services is the decision of the individual insurance company based on the patient's policy and the third party payor guidelines. No product can adequately address reimbursement issues for the hundreds of insurance payors that exist. Therefore, it is essential that each payor be contacted for their individual requirements. The user of these Materials bears ultimate and complete responsibility for all coding and collection activities.
- Revenue Cycle Coding Strategies disclaims any and all representations and warranties regarding the enclosed course materials including, without limitation, any representation or warranty that the information contained in the materials is accurate, complete, merchantable, or fit for any particular purpose.
- This course reflects coding information from the 2021 Physician's Current Procedural Terminology (CPT® Manual). CPT® is a registered trademark of the American Medical Association. CPT® five-digit codes, nomenclature and other data are copyright 2020 American Medical Association. All Rights Reserved. No fee schedules, basic units, relative values or related listings are included in CPT®. This product should not be considered a substitute for the codes, cross-references and exclusions located in the CPT® Manual. AMA does not directly or indirectly practice medicine or dispense medical services. AMA assumes no liability for the data contained herein or not contained herein.
- The use of product representations or graphics from vendors, universities, facilities or other sources does not represent an endorsement of those products or entities.
- ALL SALES ARE FINAL. Should there be any purchase dispute or you wish to transfer ownership of any course that you have NOT accessed, Please call Revenue Cycle Coding Strategies customer support at 1-877-6-CODING
