### Shipping Options

Orders for 2022 reference guides including a combination of CPT® items will be provided the option to ship items together or ship items separately (at an additional fee). See detailed explanation of your options below.

Consolidated Shipment - Your orders will be consolidated into the fewest number of shipments possible. You will receive your order once all items are available. There will only be one shipment charge. Please be aware that CPT® products will not be available until mid-December. Orders received without a selection will be consolidated into one shipment.

Non-consolidated shipment - Your items ship as they become available, beginning with those already in stock.
